AZ CORP COMMISSION
DOCKET CONTROL

To the Corporation Commissioners,

Increasing energy efficiency is the quickest and least costly way of addressing energy security, environmental and economic challenges. In doing your duty to provide just and reasonable rates for business customers like me, I encourage you to remember this fact. Furthermore, energy efficiency is an investment that happens locally, in my neighborhood, providing even greater benefit to my community.

Please do not change the Energy Efficiency Standard – allow it to work as it was designed.

Yours Truly,

ORIGINAL

DAVID MILGRAM, D.C.

Holistic Chiropractic

*An integrative approach
blending Eastern (energetic) and
Western (physiologic) medicine.*
